

# EVANSVILLE AREA Inventors & Entrepreneurs Club (I&E)

---

## *Think Outside the Box*

This professionally supportive club meets on the second Wednesday of every month at the Eager Economy Building. We have guest speakers, networking opportunities, and refreshments! Come network and collaborate with like-minded individuals - share resources, exchange ideas, and be mentored. The club welcomes not just inventors and entrepreneurs, but also established businesses, new businesses, and investors. Keep in mind that invention is more than just creating new gizmos, it is innovation too. It can be creating a new service, process, concept, mind-set, message, or strategy which is better than the existing alternatives. Please join us. You never know who you might meet and what you might learn!
